- 2) **Vertical Credit Transfer:** Credit transfer shall take place between two (2) programmes at different level. Certain academic programme at a particular level is carried over to a higher-level academic programme having common courses. An example is when a candidate completing a diploma in Engineering gets direct admission to Second Year semester one in the same degree programme.

3.3.1 Types of Credit Transfer

- 1) **Intra-institutional lateral credit transfers:** The credit may be transferred from one course (Diploma or Degree) to another at the same level in the same or related field within the same University.
- 2) **Inter-institutional lateral credit transfers:** The credit transfer process will operate across two or more institutions. For example, learners moving from one university to another for an academic programme at the same level.

3.3.2 Credit Unit Transfer Procedure

- 1) Candidates attending any other National Council of Higher Education (NCHE) recognized College or University who wish to join KCU shall seek written advice from the Dean or Principal of the prospective Faculty or school or College before applying for a transfer of credits.
- 2) An application for credit transfer must be accompanied by certified copy of an academic transcript and evidence of honorable separation from the institution in which the student has been registered.
- 3) The application shall be submitted to the Academic Registrar's office before transfer of credits may be approved.
- 4) KCU shall allow credit transfer for candidates whose Cumulative Grade Point Average (cGPA) is 2.0 on a 5-point average. The student should have passed all subjects for which he/she is seeking transfer of credits at the same sitting with a minimum grade of "C" or 50%.
- 5) Credits are accepted only if they meet the minimum requirements of the specific academic programme offered at the KCU and if they conform to similar course content and the required credit hours.
- 6) Credit transfer shall be limited to a maximum of one third of the total credit units for the award being pursued. The transferred credits shall be included in the GPA calculations at KCU.
- 7) Transferred credit units must have been earned not earlier than five (5) years before the date of enrolment at KCU.

- 8) A course waiver will be permissible if it does not reduce the overall total credit hours required for an academic programme.
- 9) Once admitted, a transferred student shall be subjected to the same regulations, governing rules and policies at KCU like all other students. The student shall be accorded the same class standing and other privileges as all other students on the basis of the number of credits earned.
- 10) Students transferring from other institutions shall pay an administrative cost for verification of their certificates and transcripts. The University Management shall determine the administrative cost from time to time.

3.3.3 Credit Transfer between Postgraduate Programmes.

- 1) Students who are studying a postgraduate diploma or Master degree at KCU can progress to masters' or a PhD degree respectively by completing research in the same area of study.
- 2) Grades from the transferred credit units may be counted in the calculation of a Student's GPA for the award being pursued.

3.3.4 Inter-Disciplinary Transfer

- 1) A student who has passed examinations and has been recommended to proceed to the next level of an academic programme or has failed and has been recommended to retake the course (s) failed or to repeat the year of study may be allowed by the University Senate to transfer to another programme of his or her choice, provided that at the time of joining the University he or she was qualified to join that programme of transfer.
- 2) A candidate transferring to another programme shall start from the first year, first semester or term or trimester of the new programme, but may, however, be granted credit transfer to the new courses he or she passed in the programme he or she is transferring from if they are the same or common courses and applicable in the programme he or she is transferring to.
- 3) A candidate who fails examinations and is recommended to be discontinued from a given programme may be allowed by Senate to transfer to another programme of his or her choice provided that at the time of joining the University he or she was qualified to join the new programme. Provided that:
 - a) He or she shall start from year one, semester or term or trimester one of the new programme
 - b) He or she shall not receive any credit transfer for courses done in the part of the programme at the end of which he or she was recommended to be discontinued from the programme.
- 4) A student shall during his or her stay at the university be allowed only one chance to transfer from one programme to another.

Chapter Four

4.0 Registration Procedures

- 1) A Student is required on admission, to register with the mother Colleges or Faculty or School or Department by filling the official registration forms.

5.0 Academic Standards Regulations

5.1 Duration of Academic Programmes

The following are the durations of various academic programmes offered by the University:

Programme	Minimum Years	Maximum Years
A. Postgraduate		
1. Doctoral Degree	3	5
2. Master's Degree and Postgraduate Diploma	1	3
B. Undergraduate Degree		
1. Engineering and Law	4	6
2. Bachelor of Medicine and Bachelor of Surgery	5	7
3. Nursing, Pharmacy and Medical Laboratory Science	4	6
4. Others Degree Programmes	3	5
C. Diplomas		
1. Advanced Or Higher Diploma	1	3
2. Ordinary Diploma	2	2
3. Ordinary Diploma In Medical Related Courses	3	5
D. Certificates		
1. Ordinary Certificate	1	2
2. Access or Pre-University	6 months	1

5.2 Academic Load per Semester

5.2.1 Normal Load

- 1) A normal academic load for a regular university student is 12 – 18 credit hours per semester.
- 2) Calculation of a normal load includes the amount of time necessary for reading, research, and study.

- 3) Each university student is expected to spend two hours in preparation outside of class for each weekly hour of class instruction. This means a student taking a normal load of 16 credits is expected to spend at least 48 hours each week in preparation and class attendance.
- 4) Although many students must work to meet living expenses, employment must not take priority over academic responsibilities.
- 5) Students who fail to observe these guidelines may expect no special consideration for academic problems arising from the pressures of employment.

5.2.2 Academic Overload

- 1) A student with a GPA of 3.00 and above during the previous semester on normal load may be permitted to take up to 18 credits at the discretion of the Academic Registrar and upon the recommendation of the Dean or Principal of the particular College/School/Faculty. An overload may not be granted to first year degree or diploma student.
- 2) Written approval must be submitted to the Academic Affairs Office before students can register for more than the maximum allowable credits.
- 3) A university student with scholastic problems or who is on academic probation may not take more than 12 credits each semester. Similarly, a student with heavy work or extracurricular load should reduce the study load.

5.3 Course Identification System

Courses offered shall

5.3.1 The letter codes

The letters codes shall indicate the field, or area within a subject in which the course is offered.

5.3.2 The number codes

The set of number codes shall indicate the level, semester, and the serial number of the course.

5.4 Attendance of Classes

- 1) Attendance of class periods of the courses for which a student is registered is compulsory.
- 2) Class attendances are required beginning with the first day of classes of each semester.
- 3) In addition, each student shall attend scheduled university functions such as orientation, general assemblies, recreational events, and graduation ceremonies.
- 4) A student shall attend classes or lectures for at least three-quarters [75%] of the particular semester to be eligible to sit for examinations.

- 5) A maximum of three weeks per semester of cumulative excused or unexcused absences may be allowed. Absences beyond this limit shall be permitted by the Director Academic Affairs if the student wishes to continue with studies during the semester or appear for final exams.
- 6) A student shall not be permitted to sit for final examinations if he or she does not meet the required quota attendance, and is assigned an F grade for the course.

5.5 Excused Absences

- 1) The Academic Registrar or the Deputy Vice Chancellor Academic Affairs may excuse a student with valid reasons, such as personal illness or family emergencies, from classes upon recommendation by the Dean or Principal of the Faculty or College or School.
- 2) It is also the student's responsibility to check with the lecturer immediately upon his or her return to university after an excused absence to determine the required make up work and to complete any work according to the deadline set by the lecturer.
- 3) To obtain an excused absence, a student shall;
 - a) Submit a written request and appropriate documentation (such as doctor's medical report) through the principal or dean to the Academic Registrar.
 - b) Observe the deadline to submit the written request of 3 working days after returning to the University.

5.6 Unexcused Absences

- 1) All absence from classes or other curricular programmes are considered unexcused.
- 2) A student who has a history of unexcused absences shall be disqualified from registering for further courses or receiving an academic award from the University.

5.7 Lecturers' Attendance

- 1) It is the student's right to be taught regularly and timely in all the courses he or she has registered for.
- 2) If a lecturer does not report for the class appointments, it is the responsibility of the students to report the matter to the relevant head of department for appropriate action.
- 3) Students shall wait for the lecturer for at least 20 minutes before considering the lecturer is absent.
- 4) Lecturers who fail to turn up for class appointments as scheduled shall compensate for the missed lessons and these shall be documented in the course file tool by indicating the date when to teach the missed lessons.

- 5) The lecturer concerned shall notify the Head of Department, the students and the class coordinator of such changes in the timetable.

5.8 Course Schedule

- 1) Students are expected to follow the proposed arrangement of courses in their respective programmes of study as is indicated in the relevant University prospectus or catalogue.
 - a) The distribution of courses in the curriculum under the semester system shall follow a minimum of 4 courses and a maximum of 8 courses of at least three (3) hours per week, with the exception of Education programmes.
 - b) A student shall obtain credits for a course only if he or she meets all the requirements set for passing the course. In case a student needs more time to complete the required assignment or research report, he or she may apply to for an extension of time.
- 2) Course prerequisites
 - a) A student shall not register for a course for which there is a prerequisite unless he or she meets such prerequisite first.
 - b) When repeating a failed prerequisite course, concurrent registration of the prerequisite and the subsequent course will be permitted depending on the nature of the course.
 - c) A student will not take a basic course (lower binium) and an upper level course (upper binium) in the same semester unless the School or Faculty or College Academic Board approves it.

5.9 Academic Credit

- 1) Academic credit shall be granted upon satisfactory completion of all course requirements, including research and reading assignments, the submission of term projects and the passing of required examinations.
- 2) Once academic credit has been granted for a course, credits shall be entered into the student's permanent record (transcript).

5.10 Contact Hours and Grades

- 1) A Programme or Course shall be clearly specified in terms of semesters and calendar months or years at the start of each academic year.
 - a) The course content in form of topics and sub-topics will be enumerated in the curricula
 - b) Examination evaluation, marking system and appeal mechanism will be published in the curricula.

- 2) Each semester shall take at least fifteen (15) weeks of teaching and two (2) weeks of examinations.
- 3) The assessment of individual course will be done on the basis of marks but shall be converted into letter grades.
- 4) Individual courses taken by the student shall be weighted in units or credit hours for a whole semester.

5.10.1 Credit Units

- 1) The weighting unit is a credit unit. 2) Credit Unit can be defined as follows:
 - a) One (1) Credit Hour (CH) is equivalent to one (1) Lecture Hour (LH) or Contact Hour.
 - b) Two (2) Tutorial Hours (TH) are equivalent to one (1) Credit Hour (CH)
 - c) Two (2) Practical Hours (PH) are equivalent to one (1) Credit Hour (CH)
- 3) Each Credit Unit is equivalent to 15 Lecture Hours or 30 Practical Hours.
- 4) Credits shall also be allocated to project work, thesis or dissertation, industrial placements and practicum, provided that the components are part of the degree programme.
- 5) Credits shall also be given to the course units that are compulsory or core courses as well as electives or option courses.
- 6) Each course shall be allocated a minimum of two (2) hours per week.
- 7) Classification of final awards shall use a five (5) point grading system averaging the final grade of a graduate.

5.10.2 Grading System (Marks, Letter Grades and Grade Point)

- 1) A five-point system shall be used to assign a numerical score, referred to as Grade Point (GP) for a specific range of marks in the final grades.
- 2) The letter grades and GP assigned to the raw marks attained shall be as follows;

Marks (%)	Letter Grades	Grade Points
80-100	A	5
75-79	B+	4.5
70-74	B	4
65-69	C+	3.5
60-64	C	3
55-59	D+	2.5
50-54	D	2
0-49	F	0

5.10.3 Computing Grade Point Average

- 1) A student's examination and Course Assessment Test results shall be converted into Semester Grade Point Average (SGPA).
- 2) Computations for a semester scores shall be done as follows:

Key: GP-Grade Points; CU-Credit Units

Courses	CU	Grade	GP	GP*CU
Course # 1	3	A	5.00	15.00
Course # 2	2	A	5.00	10.00
Course # 3	3	B+	4.50	13.00
Course # 4	3	B-	3.00	9.00
Course # 5	4	A	5.00	20.00
Total	15			67.50

- 3) Cumulative Grade Point Average (cGPA) shall be computed using the total number of credit hours completed and the total points earned for two or more semesters i.e. $GPA = \frac{\sum GP}{\sum CU}$ or $67.5 / 15 = 4.50$.
- 4) The cGPA required for graduation with a Diploma or a Bachelor's Degree shall be two (2.00) for all the courses.
- 5) The cGPA required for graduation with a Postgraduate Diploma or a Master's Degree shall be three (3.00).
- 6) When a passed course is repeated in order to improve the grade and points awarded shall be the mark obtained at the said sitting.
- 7) The cGPA shall appear on the student's final transcript and indicates the degree classification.

5.10.4 Rules and Regulations Governing the Computation of GPA

- a) For purposes of accuracy, the cGPA shall be maintained to 2 decimal places till the final year results and shall then be corrected to one decimal point for degree classification.
- b) To maintain the accuracy of results, correction to one decimal place shall be done by truncation.
- c) Grades obtained at KCU shall be used for calculating the GPA. Grades transferred from other institutions of learning shall not be included in the GPA calculations at KCU. Such grades and credits shall only be counted to meet the graduation load.
- d) In case a candidate repeats a semester, his/her GPA for the previous attempt shall be disregarded.
- e) A GPA shall be computed at the end of each semester. It shall not be computed if there are missing marks or a candidate has to do supplementary examinations.

5.11 Classification of Awards:

- 1) The following classification of undergraduate degree awards shall be used.

cGPA	Awards	Description
4.4 - 5.0	First Class	Excellent
3.60 - 4.39	Second Class (Upper Division)	Very Good
2.80 - 3.59	Second Class (Lower Division)	Good
2.0 - 2.79	Pass	Fair

- 2) The following classification of diploma awards shall be used

cGPA	Awards	Description
4.4-5.0	Distinction	Excellent
2.80-4.39	Credit	Very Good
2.0-2.79	Pass	Fair

- 3) The following awards are not classified; a) Doctoral degrees; b) Masters Degrees; c) Postgraduate diploma; and d) Degrees and Diplomas in Health Sciences.

Chapter Six

6.0 General Examination Regulations

- 1) The purpose of examinations shall be to establish the extent to which students have fulfilled the objectives of their major concentration and demonstrate their knowledge and understanding of the various components of the curricula. 2) The University examinations will enable students to demonstrate that they have;
 - a) Satisfied the conditions for progression from one semester of a course to the other semester, or
 - b) Attained a standard appropriate to the level of the award.

- 3) Student assessment shall take a variety of forms appropriate to the course. These include:
 - a) Written examinations;
 - b) Practical or Laboratory based examinations;
 - c) Oral or Viva voce examinations;
 - d) Project assessment;
 - e) Dissertations or theses;
 - f) Supervised professional practice;
 - g) Continuous assessment test; and
 - h) Any other approved forms of assessment.

- 4) Conventional examinations shall consist of Continuous Assessment Tests [CATs] and end of semester or module examinations where applicable.
- 5) Unless otherwise stated, the exam regulations herein described shall apply to all academic programmes at KCU.

6.10 Academic Progression, Probation, Disqualification and Re-admission

- 1) Following the relative grading system, students are awarded grade as A, B⁺, B, C⁺, C, D⁺, D or F.
- 2) The pass letter grades are, A, B⁺, B, C⁺, C, D⁺ and D for undergraduates and A, B⁺, B, C⁺ and C for postgraduates.
- 3) Basing on these grades results are finalized with the following status:
 - a) Promoted (normal progress),
 - b) Promoted on probation,
 - c) Repeat and
 - d) Discontinued.

6.10.1 Normal Progression

- 1) A student is said to be on a normal progress if the student has passed the assessments in all the course(s) she or he had registered for in a particular semester with a mark(s) corresponding to grade points (GP) of at least 2.00 (undergraduate) or 3.00 (postgraduate).
- 2) A student in the College of Medicine, Health and Life Sciences can only be allowed to proceed to the following year of study if he/she maintains a cGPA of 2.00 (undergraduate) or 3.00 (postgraduate) without an 'F' grade in any course.
- 3) No candidate shall be allowed to proceed to the clinical year rotations unless and until he/she has passed in all the biomedical science courses.

6.10.2 Academic Probation

- 1) A student who has a Semester Grade Point Average (SGPA) of less than 2.00 (undergraduate) or 3.00 (postgraduate) shall be placed on academic probation and the Dean of the School or Faculty in consultation with the Academic Registrar shall issue a letter of caution to the student.
- 2) A candidate who has obtained a mark(s) corresponding to a GP of less than 2.0 (undergraduate) or 3.0 (postgraduate) shall do supplementary examination(s) in the failed course(s) if the course is health science related or retake the failed course if the course is not health science related (e.g. LLB, BBA etc).

6.10.3 Pass by the Compensation Rule

- 1) Compensation is the process by which an examination board, in consideration of a student's overall performance may recommend that credit be awarded for a module/course in which the student has failed, on the grounds that a sufficiently good overall performance in a group of cognate modules/courses can outweigh the area of failure.
- 2) The following rules shall apply when considering to compensate a course: a) Compensation can apply to a module/course with a failed mark of 48.0 – 49.9% as long as it is balanced by good performance in related modules/ courses.
 - b) Where compensation is allowed, failed grades shall be converted to PC (pass by compensation) and assigned a grade point value of 2.0 (i.e 50%). A module/ course with PC grade do not need to be repeated.
 - c) Some modules/courses maybe exempted from compensation, if required by a Professional or Statutory Body.
 - d) The Examination Board shall make recommendation about compensation every time a student has sat for all the scheduled examinations in the semester/term under consideration.
- 3) The rule can only be applied if the module/course under consideration is the student's first sitting. Therefore, it cannot be applied in a sitting of repeat attempts at passing a module/course.
- 4) The rule WILL NOT apply if the student's aggregate marks from the other passed modules/courses results is below 60%.
- 5) The rule can only be applied if the student will PASS overall.

- 5) The mark obtained after sitting supplementary examination (s) shall be recorded as 50% and shall be indicated on the academic transcript as passed after supplementary examination.
 - 6) Candidates will only be allowed to sit for supplementary examinations after paying the required supplementary fees.

6.10.3.2 Conditions for Retaking a Course

- 1) When a student receives an F grade in a non-health science related course that directly contributes to his or her major area of study, he/she shall be permitted to repeat or retake the course when the Department next offers the course.
- 2) If a student receives an F grade in a course that does not directly contribute to his or her major area of study he or she may not need to repeat or retake the course. However, if the grade affects his or her cGPA, the student may repeat the course or take another course in its place to improve the cGPA.
- 3) Students who have passed a course with a grade of B- or better shall not repeat the course for credit.
- 4) Students who repeat a course shall do so only at the time when the University officially offers the course.
- 5) When repeating a course, a student's class load includes the credit hours of that course. No extra class load shall be allowed unless recommended by the School or College or Faculty Board and approved by the University Senate as long as students do not exceed the maximum allowable credits for repeatable courses.
- 6) In cases where the student has exceeded allowable credits in a repeatable class, repeat rules will exclude the grade and credits of the earliest scores of the class.
- 7) A grade received in a repeated course shall replace a grade in prior takings of the same course in the calculation of the cumulative GPA, even if the more recent grade is lower.

- 8) Candidates who repeat a course shall pay the required retake fees for the course and shall do all the coursework and final examination afresh.
- 9) Individual programme may disallow students from retaking certain high-demand courses simply for the purpose of improving their grade.
- 10) A student who missed a final exam, but had completed all other course requirements, he or she shall retake the course when offered next.
- 11) When a course is repeated, the letter "R" shall be recorded against the final grade indicating that the grade was obtained after repeating the course and the final grade shall be used in computing the cGPA.

6.10.4 Repeating a Semester or Academic Year

- 1) No candidate shall be allowed to repeat any academic year of study on academic grounds, except with the approval of Senate upon recommendation of the College or School Board, as the case maybe, provided that;
